RESIDENCE PERMIT APPLICATION FOR EMPLOYMENT

This residence permit application form is for you if you are coming to Finland to work for a Finnish employer or other employer operating in Finland and you have signed an employment agreement or accepted a binding job offer. This form is for applying for a residence permit for workers and other work-based residence permits for which there is no separate form (see forms OLE_TY2/Special expert, OLE_TY3/Internship and OLE_TY4/Sports or sports coach). A residence permit for workers is contingent on consideration related to availability (Aliens Act, section 72(1)).

An employer may use this form to file an application for a residence permit for workers on behalf of an employee. However, an employer may not apply for any other work-based residence permits.

Carefully fill in and sign the application. Incomplete information will delay the processing of the application and may lead to its rejection.

An application may be submitted to a Finnish diplomatic mission abroad or to the local police in Finland. A processing fee will be collected when the application is submitted, according to the Decree on charges. Read the instructions for filling in the form at www.migri.fi → English → Application forms. Clarifications that you need to append to your application are listed in Section E of this form.
